

# Roscoe Mobility

## K3-Lite Wheelchair

The Roscoe K3-Lite Wheelchair weighs less than 36 pounds, making it perfect for rental and long-term or short-term use. It has an attractive silver vein powder-coated steel frame. Designed with a dual axle and multi-position caster forks, our K3-Lite chair provides for easy transition of seat height to hemi level. Black padded nylon upholstery resists mildew and bacteria. Chart pocket on backrest and industry compatible front riggings come standard. Padded aluminum desk-length arms are removable and can be reversed for a full-length feel.

Silver Vein  
Finish

### Product Features

- Cross-brace, silver vein powder-coated steel frame
- Dual axle provides easy transition of seat height to hemi-level
- Easy-to-clean, comfortable nylon upholstery resists mildew and bacteria
- Chart pocket on backrest provides additional convenience
